

Pastel Partner 2009 – Bill of Materials and Manufacturing Module

This comprehensive training programme will cover the functions and features of the Pastel Partner Bill of Materials and Manufacturing add-on modules.

Entrance Requirements

Learners need to meet the following prerequisites before attending this course .

1. Bookkeeping NQF Level 3 qualification or Standard 8/Grade 10 Bookkeeping
2. Computer Literacy at NQF Level 3 or Standard 8/Grade 10 Computer Literacy
3. Mathematical Literacy on Standard 8/Grade 10 Mathematics

Target Learners

This course is designed specifically for learners who want to enhance their production and manufacturing skills while using Pastel Partner 2009.

Training

This is a half day course.

Delivery Method

Facilitated workshop

Benefits

This course will provide a broad product information base and create greater awareness and confidence when using the Pastel Partner 2009 Bill of Materials and Manufacturing modules. Learners will be taught about the different features in the product, as well as why they need to know this information and how it affects them in a practical way.

Assessments

The assessment is not part of the course and is not included in the course price.

Course Outline

These modules work together and allow you to manufacture and assemble items with ease and perfection. You can also manufacture items as you process an invoice and can create as many sub levels or components as you require.

You will cover the following course objectives:

- Set Up the Manufacturing Module
- Create Bills of Materials and Kit Item Codes
- Manufacture and Unmanufacture Items
- Using Kit Items
- Reporting on Manufacturing
